Amdt. dated May 28, 2009
Reply to Office action of January 15, 2009

Amendments to the Claims

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1. (currently amended) A method for transferring a non-monetary asset of a donor from the donor's account with an asset holder holding said non-monetary asset to a qualified charitable organization for subsequent transfer to at least one charity comprising:

- a) holding a non-monetary asset for said donor in said donor's account;
- b) providing an electronic communication means having a screen for use by said donor to designate the non-monetary asset being donated and including a list of charities from which the donor can select the charity to receive the contribution;
- c) receiving instructions from said donor via said electronic communication means to transfer said non-monetary asset to said charitable organization; and
- d) transferring said donor designated non-monetary asset to said charitable organization.

2. (original) The method of claim 1, further including the step of providing the donor with a receipt evidencing transfer of the asset and the date of the transfer.

- 3. (canceled).
- 4. (canceled).
- 5. (canceled).

6. (canceled)
7. (previously presented) The method of claim 6, wherein said list of charities can be modified by the donor.
8. (previously presented) The method of claim 1, wherein the electronic communication means includes a screen to enable the donor to select whether or not to receive a receipt from the asset holder.
9. (previously presented) The method of claim 1, wherein the electronic communication means enables the donor to request a summary of donations made by the donor during a designated time period.
10. (canceled)
11. (original) The method of claim 1, wherein said electronic communication means is accessible by inputting a password.
12. (previously presented) The method of claim 1, wherein said asset can be allocated among multiple charities.

34. (canceled)

35. (new) The method of claim 1, wherein said electronic communication means is a wireless electronic communication means.

36. (new) A method for transferring a non-monetary asset of a donor from the donor's account with an asset holder holding said non-monetary asset to a qualified charitable organization for subsequent transfer to at least one charity comprising:

a) holding a non-monetary asset for said donor in said donor's account;

b) providing an Automated Teller Machine having a screen for use by said donor to designate the non-monetary asset being donated and including a list of charities from which the

donor can select the charity to receive the contribution;

c) receiving instructions from said donor via said electronic communication means to transfer said non-monetary asset to said charitable organization; and

d) transferring said donor designated non-monetary asset to said charitable organization.

37. (new) A method for transferring a non-monetary asset of a donor from the donor's account with an asset holder holding said non-monetary asset to a qualified charitable organization for subsequent transfer to at least one charity comprising:

a) holding a non-monetary asset for said donor in said donor's account;

b) providing an Internet website having a screen for use by said donor to designate the non-monetary asset being donated and including a list of charities from which the donor can select the charity to receive the contribution;

c) receiving instructions from said donor via said electronic communication means to transfer said non-monetary asset to said charitable organization; and

d) transferring said donor designated non-monetary asset to said charitable organization.
